

handi-pak

Handi-pak is a convenient bubble dispenser box designed for ease of use and ideal for low to moderate shipping requirements, retail markets and home applications. Available in 12" or 24" widths and all bubble thicknesses. Handi-pak is perforated at 12" for easy-to-use, tear-off sheets. Handi-pak corrugated dispenser keeps things simple. The perforated bubble is kept clean and easily dispenses out of the convenient carton. The bubble provides superior burst strength and withstands pressure and abuse, giving maximum product protection.
