

POLYAIR

ENDURASTAR

THE BEST OF BOTH WORLDS

1/16" ENDURASTAR

Polyair Endurastar combines the surface protection properties of foam with the cushioning and strength properties of reinforced bubble to impart:

- > Class A surface protection of foam
- > Cushioning of both foam and bubble
- > Economy of bubble with the strength of foam
- > Elimination of double wrapping
- > Elimination of bubble "ghosting" on hot or highly reflective parts
- > High tensile strength of reinforced bubble
- > Moisture barrier
- > Durability allowing multiple reuse

Markets Include: Automotive, Moving, Storage, Stone, Brick, Metal, Wood Furniture & Fixtures, Electronics
