

**INSULATED PACKAGING**

# CHILL-R™ 2-PIECE PAPER INSERT

IPG's Chill-R curbside recyclable and repulpable insert is a patented two-piece pre-consumer paper insulation adhered between two kraft paper layers. It is specially designed to provide a temperature-controlled environment for online perishable deliveries and sensitive medical products. The Chill-R paper insert delivers a proven R-Value and wall-to-wall stability for delicate items.

## FEATURES & BENEFITS

- Paper-based curbside recyclable insulation material laminated to paper
- Certified for direct food contact
- Two-piece recyclable insulation offers easy assembly & increased productivity for fast-paced operations
- Ships and stores flat, taking up less space on a truck or in the warehouse

## THE "R" STANDS FOR

<b>RECYCLABILITY</b>	The pre-consumer product can be recycled in your curbside recycle bin
<b>RECYCLED</b>	The insulation is constructed from recycled paper fibers which reduces landfill waste
<b>R-VALUE</b>	The fiber insulation provides a proven R-value to keep temperature-controlled products safe during transit

Chill-R thermal paper insulation pads have been lab certified for curbside recyclability.
